Annual Report 2003

Mission

We are people who, believing in the sacredness of identity and dignity, relationship and community, compassion and justice, hope and promise, and motivated by faith; serve to transform community through shared emergency resources and educational opportunities.

Vision

God has called the Yakima Interfaith Coalition to serve as a transforming force within our community through:

- Creating places of welcome and hospitality for all persons;
- Providing emergency services when other sources fail or are not available;
- Offering educational and learning opportunities for women and children;
- Providing settings where barriers between people may be broken down;
- Working toward the social and spiritual reconciliation and transformation of the whole community.

Five Year Strategic Vision

La Casa Hogar is building a foundation for growth and empowerment through healthy kids, healthy moms, healthy families, healthy schools, healthy community.
